DATROSE recognized as one of the World's Best Outsourcing Service Providers

ROCHESTER, NEW YORK, February 18, 2008 – DATROSE based in Webster, New York has been recognized as one of the Top 100 Global Outsourcing companies. The International Association of Outsourcing Professionals (IAOP) announced on February 18th at its 2008 Outsourcing World Summit in Orlando, Florida. This is the third consecutive year that DATROSE has been listed in *The 2008 Global Outsourcing 100* list.

“Making *The 2008 Global Outsourcing 100* list is a real accomplishment for both the established leaders in our industry as well as the up and comers that represent outsourcing's bright future. IAOP is pleased to provide these results as a service to its members, to the industry and to businesses around the world making outsourcing decisions. This year's results show that outsourcing remains stronger than ever,” says Christina L. Powers, Executive Director, IAOP.

“We are pleased to have earned this recognition again for our services. This award is indicative of our commitment to our customer and employees. We have worked hard to achieve excellence in everything we do and our success has been a result of our total dedication to people and process management. We are proud to add this recognition to a long list of awards and recognition we have received from our clients, industry and affiliate association.” said William Rose, Chairman of DATROSE.

About *The Global Outsourcing 100*

The 2008 Global Outsourcing 100, produced annually by the International Association of Outsourcing Professionals (IAOP), is devoted to featuring the best of today's leading outsourcing service providers and tomorrow's rising stars. Along with its publication by IAOP, the list will appear in the May 5, 2008 issue of FORTUNE® magazine in the special advertising section produced by IAOP. Companies must demonstrate excellence

in categories such as size and growth, customer experience, depth and breadth of competencies, and management capabilities. Because of the rigorous application and judging process employed, *The Global Outsourcing 100* defines the standard for excellence in outsourcing service delivery.
